FURTHER DECLARE

- that the Letter of Invitation, the Special Contract Specifications and its Annexes, adequately and completely define the object of requirements and consents to the acquisition of all elements necessary for the exact evaluation of these and all related costs, consequent to and necessary for the execution of the service regulations;
- to possess the technical organisation and technical, human and financial resources necessary to provide the service according to all the conditions laid down in the Special Contract Specifications and the Draft Contract and to have ensured or to be able to ensure the supply of materials and use of manpower needed to fully meet the needs of the service and along with those unforeseen;
- to have taken account in the formulation of the offer, the obligations associated with the provisions on safety and protection of workers, as well as working conditions and social security and assistance in force for the place where the contract is to be executed, also in virtue of the provisions of Italian legislation currently in force (Legislative Decree no. 81/2008 and amendments) and the Single Evaluation Document of interference risk;

- to be aware of all the circumstances and contractual conditions which may affect both the execution of the service and the determination of the offer and to find, therefore, remunerative the bid submitted;
- that the present offer is irrevocable and binding on the undertaking it represents for up to one hundred and eighty (180) days following the date of expiry of the deadline fixed for the receipt of tenders;
- to have taken note that this offer will not be in any way binding upon the Contracting Authority;
- that the formulation of this offer has taken into account any increases in prices that may occur during the execution of the service, renouncing here and now any action or exception in this regard, except as expressly provided in the Special Contract Specifications;
- that there shall be an undertaking to respect and to ensure all employees and associates respect the obligation of confidentiality regarding all information, data, documentation and news related to the Contracting Authority that is not intended for public distribution and to put in place, to this end, all the necessary preventive measures to avoid the diffusion and utilisation of confidential information.
