

2nd EUI Alumni Conference in Economics

26-27 September 2014

Call for papers

The **2nd EUI Alumni Conference in Economics** will be organized at the European University Institute in Fiesole, Italy, on Friday 26 and Saturday 27 September 2014. We are planning to have parallel sessions in the following fields (broadly defined):

Applied Microeconomics

Organized by Lapo Filistrucchi (University of Florence and Tilburg University), Stefano Gagliarducci (University of Rome Tor Vergata), and Liliane Giardino-Karlinger (LUISS University)

Microeconomic theory

Organized by Mark Le Quement (University of Bonn) and Sarah Auster (European University Institute)

Macroeconomics

Organized by Gernot Müller (University of Bonn) and Kristoffer Nimark (CREI and Universitat Pompeu Fabra)

The local organizers are Piero Gottardi and Andrea Ichino.

The conference is open to all economists who are or have been affiliated with the EUI in the past. Papers will be selected primarily based on academic merit, but we also hope to have a programme where many EUI cohorts (including current PhD students) are represented. To submit a paper, send an electronic copy of the paper to EUI.econ.alumni.conf@gmail.com before **15 June 2014**. Please state in your submission the years you were at the EUI and your role. Also state the session in which you would like to participate.

Participants are expected to cover their own travel and accommodation expenses.
