5 Latin America (grants from MAE, Spain)		1,300				yes				(f)
6 Other (private funding)	Various states / foundations	1,200	(m)							
(a) Based on exchange rate of 01.05.2012										(m) to be considered at least equal to the EUI fourth-year grant (€ 1200 in 2012; expected to be € 1200 in 2012)
(b) Pension contributions included										(n) UK: family allowances are subject to variations in the amount in Euro because of the exchange rate.
(c) approximate amount for travel (average)										(o) Basic grant amount. Family allowances of € 231 to € 316 per month apply for residents of Luxembourg
(d) eligible researchers receive a pre-paid travel ticket to Florence at the start and end of their stay										(p) Spain: the grant is € 1500 for third- and fourth-year researchers
(e) Health insurance cover is provided by the Italian Foreign Ministry										(q) Spain: a travel allowance is paid at beginning of 1st and 3rd year
(f) Germany and Spain subscribe to a separate, private health insurance policy										(r) France: EUI pays a grant of €1200 to French researchers in first year. In second, third and fourth year, researchers
(g) there is also an additional insurance to cover up to 100%										receive a salary from the MESR/CNOUS (France) which, after deduction of social contributions, is €1370 approx.
(h) a single (once-only) allowance										(s) Finland: pension and social insurance contributions included
(k) an amount for health insurance is included										(t) Netherlands: the researcher's partner is also eligible for the travel allowance
(l) €1200 till 31/12/2012; an increase to €1220 is expected from 01/01/2013 (includes the Vasco da Gama grant)										(u) Current monthly premium of the Vanbreda policy to which EUI subscribes. Increase foreseen from September 2012
