

The EUI has an open vacancy for a

Research Assistant in the School of Transnational Governance

Florence, 24 May 2023

Reference: **V/RA/STG/20/2023**

Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate, doctoral and post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The EUI **School of Transnational Governance** (STG) trains tomorrow's leaders on the concepts, methods and practices of governance beyond the state. It offers policy leader fellowships, executive training and high-level policy dialogues. The School launched a new Master's programme in transnational governance in 2020.

Florence, Italy

About the project

Project Director(s)

STG Director Alexander Stubb and Prof. Jos Delbeke

Project details

STG Climate is a European and global hub of excellence in knowledge-exchange, research and education on climate change policies and governance. Its experts offer top-tier research, teaching and training on a wide range of climate-related issues.

Job description

The Research Assistant will provide support to the directors of STG Climate. Tasks include:

- Conducting research on carbon pricing and voluntary carbon markets;
- Producing policy relevant publications e.g. Policy Briefs;
- Contributing to the organisation of high-level policy dialogues.

Qualifications and experience

Qualifications and Experience

Essential:

- BA (or equivalent according to EHEA) in a relevant discipline;
- Proven knowledge of carbon pricing and voluntary carbon markets.

Desirable:

- Track-record of research on voluntary carbon markets and policy publications.

Languages

Excellent knowledge of English, both spoken and written ([CEFR](#) level: C1 or above). Knowledge of other languages constitutes an advantage.

How to apply

Deadline

The closing date for applications is **07 June 2023** at midnight (Florence time)

Contact details

For more information contact Barry O'Connell (barry.oconnell@eui.eu)

How to apply

Fill in the [online application form](#) and upload documents as requested.

Data Protection

The purpose of processing the data submitted by candidates is to manage their application in view of a possible pre-selection and recruitment by the EUI. The information candidates provide in their application form is collected for the purpose of the selection procedure. The EUI will ensure that candidates' personal data are processed as required by its Data Protection Policy ([President's Decision No. 10/2019 of 18 February 2019 regarding Data Protection at the EUI](#)).

Equal opportunities

The European University Institute applies a policy of equal opportunities, which, in accordance with Article 1d of its Staff Regulations, prohibits discrimination on any grounds such as sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation. Any reference in this notice to a person of the male sex must be deemed also to constitute a reference to a person of the female sex.
