'September Programme'

Calendar of activities for new research students and post-doc fellows in late-August and September 2009

Date, Day	Time	Department	Place	Activity
		Note for post-doc fellows:	-	Fellows should note the dates of departmental meetings. It is important for the MWFs in particular to attend their department's main introductory meeting (marked [**] on the programme). Jean Monnet Fellows are expected to attend the main RSCAS meeting on 9 September and are welcome to attend the meeting of the department most relevant to their field of research.
