Documents mentioned in the text

1. Council proposal of 1972 for a special legislative procedure

1. The Commission should attach a financial statement to all proposals with financial implications.
2. The Council's budgetary committee should examine the proposal and approve or modify it, based on a technical appreciation, while not implying any judgement on the political desirability of the legislative proposal.
3. The Council should then transmit the proposal, accompanied by the Commission's financial statement and also, possibly, by its own, to the Parliament.
4. The Parliament's opinion should include consideration of the financial statement.
5. The Council would undertake to draw attention to the Parliament's opinion in its preparatory work.
6. Should the Council take a decision diverging from the Parliament's opinion, it should justify its position to the Parliament in written or oral form.

Pour certains actes particulièrement importants, le Conseil, au cours de son examen et avant de rendre une décision, pourrait entendre une délégation de l'Assemblée – composée par exemple du Président et du Rapporteur de la commission compétente qui viendrait illustrer l'avis rendu par cette Institution.

Le Conseil, après avoir attentivement examiné vos suggestions, a décidé d'aller à la rencontre des souhaits que vous avez formulés et a, en conséquence, décidé de modifier certains points de cette procédure actes particulièrement importants

JOINT DECLARATION

of the European Parliament, the Council and the Commission

THE EUROPEAN PARLIAMENT, THE COUNCIL AND THE COMMISSION,

Whereas from 1 January 1975, the Budget of the Communities will be financed entirely from the Communities' own resources;

Whereas in order to implement this system the European Parliament will be given increased budgetary powers;

Whereas the increase in the budgetary powers of the European Parliament must be accompanied by effective participation by the latter in the procedure for preparing and adopting decisions which give rise to important expenditure or revenue to be charged or credited to the budget of the European Communities,

HAVE AGREED AS FOLLOWS:

1. A conciliation procedure between the European Parliament and the Council with the active assistance of the Commission is hereby instituted.
2. This procedure may be followed for Community acts of general application which have appreciable financial implications, and of which the adoption is not required by virtue of acts already in existence.
3. When submitting its proposal the Commission shall indicate whether the act in question is, in its opinion, capable of being the subject of the conciliation procedure. The European Parliament, when giving its Opinion, and the Council may request that this procedure be initiated.

4. The procedure shall be initiated if the criteria laid down in paragraph 2 are met and if the Council intends to depart from the Opinion adopted by the European Parliament.
5. The conciliation shall take place in a 'Conciliation Committee' consisting of the Council and representatives of the European Parliament. The Commission shall participate in the work of the Conciliation Committee.
6. The aim of the procedure shall be to seek an agreement between the European Parliament and the Council.

The procedure should normally take place during a period not exceeding three months, unless the act in question has to be adopted before a specific date or if the matter is urgent, in which case the Council may fix an appropriate time limit.

7. When the positions of the two institutions are sufficiently close, the European Parliament may give a new Opinion, after which the Council shall take definitive action.
