

1. Question

With reference to the tender in object we require the following clarification:

In the point 13) of Annex II C – Self certification Form is required to declare: “that a criminal record certificates has been submitted for each staff member involved in the service”.

According to Italian law, such certificates must be produced, where appropriate, only in case of assignment of tender and only for the subjects referred to in paragraph 3 of art. 80 of Legislative Decree 50/2016 and its amendments and additions.

We are asking for confirmation that this point should not be considered.?

Answer

As stated in point 13 of *Annex II C – Self certification form*, criminal certificates shall be submitted for each staff member involved in the service at the moment of submission of the tender. Please note that Italian law does not apply to EUI.
