11.00-13.00

Exercise class for Statistics and Econometrics

Monday 23 September

11.00-13.00

Course on Statistics and Econometrics

15.00-17.00

Course on Microeconomics

Tuesday 24 September

11.00-13.00

Exercise class for Mathematics

15.00-17.00

Course on Statistics and Econometrics

Wednesday 25 September

11.00-13.00

Exercise class for Microeconomics

15.00-17.00

Course on Statistics and Econometrics

Thursday 26 September

15.00-17.00

Course on Microeconomics

Friday 27 September

11.00-13.00

Exercise class for Statistics and Econometrics

Monday 30 September

11.00-13.00

Exercise class for Microeconomics

15.00-17.00

Course on Microeconomics

Tuesday 1 October

15.00-17.00

Course on Statistics and Econometrics

Wednesday 2 October

11.00-13.00

Exercise class for Mathematics

15.00-17.00

Course on Statistics and Econometrics

Thursday 3 October

15.00-17.00

Course on Microeconomics

Friday 4 October

11.00-13.00

Exercise class for Statistics and Econometrics

Monday 7 October

11.00-13.00

Exercise class for Microeconomics

15.00-17.00

Course on Microeconomics

Tuesday 8 October

10.30-13.00

Latex tutorial

15.00-17.00

Course on Statistics and Econometrics

Wednesday 9 October

15.00-17.00

Course on Statistics and Econometrics

Thursday 10 October

10.30-13.00

Latex tutorial

15.00-17.00

Course on Microeconomics

Friday 11 October

11.00-13.00

Exercise class for Statistics and Econometrics

Monday 14 October

11.00-13.00

Exercise class for Microeconomics

15.00-17.00

Course on Microeconomics

Week 21 October

Exams for compulsory block 1
