

Third term, Academic Year 2025-2026

Workshop: Focus Groups for the Social Science Researcher, or How Talking to People can Benefit Your Research

Time and Place: **1-2 June 2026**

Given by: **Tasha Fairfield**

Administrative Contact: sofia.altesini@eui.eu

Seminar Description and Objectives

In this short course, we will explore when and how to use focus groups in single-method and especially in multi-method projects. Students will learn why focus groups can be useful and will have the opportunity to implement different aspects of focus group preparation and implementation.
