

First Term, Academic Year 2026-2027

Methods Seminar: Intermediate Quantitative Methods

Time and Place: Friday 15:00-17:00, Seminar Room 2

Given by: Kevin Munger (SPS Professor) and Sébastien Ramirez-Ruiz (MWF and SPS Part-time professor)

Administrative Contact: marco.pistolesi@eui.eu

We provide a survey of the methods necessary for conducting quantitative research in the social sciences, including measurement, causal thinking, model selection and diagnosis, and prediction.
