

Swiss National Science Foundation Funding Opportunities

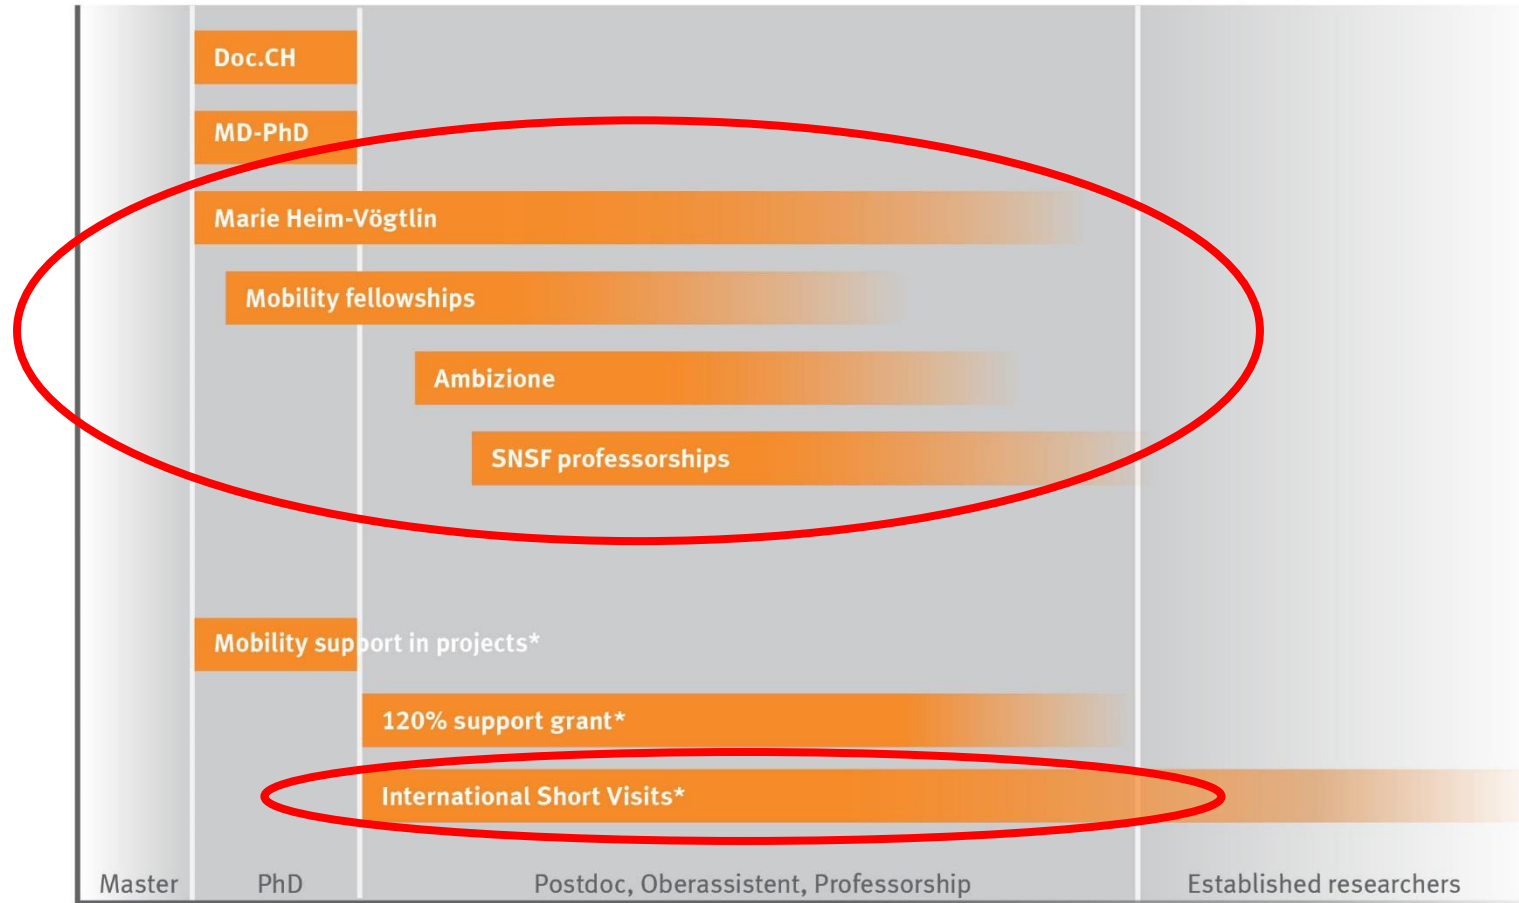

Funding (general) by scheme 2014

Total: CHF 848.5 million

Projects funded by SNSF	3'469
Persons supported by SNSF	9'200
• younger than 35 years	76 %
• women	46 %

Career funding schemes

* Career promotion measures

Marie Heim-Vögtlin

Aim

Re-integrate and avoid drop out of qualified **female researchers** with a delay or interruption in their scientific career due to their familial situation (child care or professional career of the partner)

Flexible conditions (part-time work possible, at least 50%) to conciliate research and family

Marie Heim-Vögtlin

Requirements

- PhD candidate or postdoctoral researcher in Switzerland
- Delay in the scientific career
- Good scientific qualifications
- Confirmation from host institution (support during and after the MHV grant)

Duration

- 2 years (follow-up grants for a maximum of 1 year only possible in justified cases)

Marie Heim-Vögtlin

Contribution of the grant

- Own salary
- Contribution to research costs (max. CHF 12'000 p.a.)
- Travel and conference costs
- Child care (max. CHF 12'000 p.a. & per child)

Submission deadline: 2 August 2016 (Earliest start: 6 months afterwards)

Evaluation procedure

- 2 phases, second phase with interviews

Number of grants and success rate

- Approx. 35 grants per year
- 2014: 23.7%

Mobility fellowships

Aims

The SNSF mobility fellowships are designed for young researchers who wish to enhance their scientific profile by working at a research institution abroad (outside Switzerland).

Early Postdoc.Mobility: postdocs at the beginning of their career

Advanced Postdoc.Mobility: experienced postdocs; option for a return grant to come back to Switzerland after the fellowship

Early Postdoc.Mobility

Requirements

- Submission up to 9 months before and up to 2 years after the doctoral exam; exceptions are possible in justified cases (e.g. family care duties)
- Swiss nationality or valid permit for Switzerland, or marriage resp. registered partnership with a Swiss national
- For persons with foreign nationality: at least 3 years of activity at a Swiss research institution

Duration

- 18 months (12 months possible if justified)

Submission deadlines

- **1 March and 1 September** (Earliest start: 2-4 months afterwards)

Advanced Postdoc.Mobility

Requirements

- Doctorate (PhD) and research experience of at least 1 year at postdoctoral level
- Submission up to 5 years (benchmark) after the doctoral exam
- Swiss nationality or valid permit for Switzerland, or marriage resp. registered partnership with a Swiss national
- For persons with foreign nationality: at least 3 years of activity at a Swiss research institution

Duration

- Fellowship outside Switzerland: 12 – 36 months
- Return phase in Switzerland: 3 – 12 months

Submission deadlines

- **1 February and 1 August** (Earliest start: 6 months afterwards)

Early and Advanced Postdoc.Mobility

Fellowship (research stay outside Switzerland)

- Basic amount (depending on host country and marital status)
- Child allowance (CHF 9000 p.a.)
- Travel allowance (outward and return journey)
- Registration fees (if justified)
- Congress costs (max. CHF 2000 p.a.)
- Research costs (only exceptionally, max. CHF 3000 p.a.)

Return grant (Advanced Postdoc.Mobility only)

- Salary with social security contributions

Number of grants and success rates

- Approx. 350 EPM grants and 150 APM grants
- 2014: 54.8% for EPM and 48.5% for APM

Ambizione

Aim

Create conditions for starting an independent career in Switzerland

Ambizione

Requirements

- Doctorate
- At the time of the submission deadline: Postdoctoral research activities of at least 12 months at a different university from that of the dissertation
- Submission up to 5 years (benchmark) after the doctoral exam
- High level publications

Duration

- 3 years (Follow-up grants are generally not approved)

Ambizione

Contribution of the grant

- Own salary (research associate level)
- Project funding (equipment, consumables, travel, etc.)
- Personnel (usually supporting staff, technical personnel, postdoc)
- Candidates with sufficient experience may apply for a PhD student
- Max. CHF 600'000 for 3 years

Submission deadline: 12 February 2016 (Earliest start: 7 months afterwards)

Evaluation procedure

- 2 phases, second phase with interviews

Number of grants and success rate

- Approx. 60 grants p. a.
- 2014: 20.4%

SNSF professorships

Aim

Enable junior researchers with several years of recognised research experience to establish an independent research team

SNSF professorships

Requirements

- Doctorate
- Excellent track record
- At the time of the submission: at least 24 months of postdoctoral research experience at a different university from that of the dissertation and at least 12 months abroad
- Submission up to 9 years (benchmark) after the doctoral exam
- Swiss university degree or at least 2 years of research activity at a Swiss research institution

Duration

- 4 years (follow-up for a maximum of 2 years possible)

SNSF professorships

Contribution of the grant

- Own salary (assistant professor level)
- Research allowance for a team and equipment
- Contribution to the infrastructure of the host institution
- Max. CHF 1'600'000 for 4 years

Submission deadline: 2 May 2016 (Earliest start: 10 months afterwards)

Evaluation procedure

- 2 phases, second phase with interviews

Number of grants and success rate

- Approx. 40 grants p. a.
- 2014: 15.4%

International short visits

Aim

- Allow researchers working in Switzerland to go abroad or researchers from elsewhere to come to Switzerland
- Exchange of knowledge that is beneficial to both institutions
- Initiation or consolidation of a continued collaboration between both institutes

International short visits

Requirements

- Visiting fellow must hold a PhD degree and must be employed as a researcher in his/her country of origin before, during, and after the visit
- No geographical limitations: Swiss researchers can go to any other country or researchers from any country can come to Switzerland.

Duration

- 1 week to 3 months

Contribution of the grant

- Travel and accommodation costs

Submission deadline: Anytime
