Call for Papers

4th Annual Graduate Conference on the History of European Integration

7 - 8 September 2023, European University Institute, Florence

After three very successful conferences in September 2017, 2018 and 2019, the [Alcide De Gasperi Research Centre](#) (ADG) at the European University Institute will host the **Fourth Annual Graduate Conference on the History of European Integration** at the European University Institute in Florence, Italy, from **7-8 September 2023**.

The Annual Graduate Conference on the History of European Integration provides a unique opportunity for PhD and early career researchers to discuss ongoing research related to the history of European integration. The conference will consist of panel sessions to discuss selected research papers, as well as debates on historiographical and methodological approaches to European integration research.

The Conference aims to provide an informal atmosphere in which new ideas and research directions, as well as advice on publishing and academic careers, can be openly shared and debated.

The conference is made possible thanks to financial support from the **International Visegrad Fund**, the **Historical Archives of the European Union**, the **Robert Schuman Centre**, and the **School of Transnational Governance**.
