List of common statements

Welfare, family and health

1. Social programmes should be maintained even at the cost of higher taxes
2. It should be harder for EU immigrants working or staying in [your country] to get access to social assistance benefits than it is for [your country's]
3. Pension benefits should be reduced to limit the state debt in [your country]

Migration and immigration

4. To fight the problem of illegal immigration, the European Union should take responsibility in patrolling its borders
5. Immigration [into your country] should be made more restrictive
6. Immigrants from outside Europe should be required to accept our culture and values

Society, religion and culture

7. The legalisation of same sex marriages is a good thing
8. Embryonic stem cell research should be stopped
9. The legalisation of the personal use of soft drugs is to be welcomed
10. Euthanasia should be legalised

Finances and taxes

11. Government spending should be reduced in order to lower taxes
12. The EU should acquire its own tax raising powers
13. Bank and stock market gains should be taxed more heavily

Economy and work

14. Governments should reduce workers' protection regulations in order to fight unemployment
15. The state should provide stronger financial support to unemployed workers
16. The EU should relax its austerity policy in order to foster economic growth

Environment, transport and energy

17. The promotion of public transport should be fostered through green taxes (e.g. road taxing)
18. Renewable sources of energy (e.g. solar or wind energy) should be supported even if this means higher energy costs

Law and order

19. Restrictions of personal privacy on the Internet should be accepted for public security reasons
20. Criminals should be punished more severely
21. Access to abortion should become more restricted

Foreign policy

22. The European Union should strengthen its security and defence policy
23. On foreign policy issues the EU should speak with one voice

European integration

24. European integration is a good thing

25. To tackle the sovereign debt crisis, the member states of the Eurozone should be allowed to issue common bonds (Eurobonds)

26. The single European currency (Euro) is a bad thing

27. Individual member states of the EU should have less veto power

28. Any new European Treaty should be subject to approval in a referendum in [your country]

Country-specific statements

Austria

29. Austria should introduce a property tax under the condition that the tax rate is low and that the capital levy is confined to the richest Austrians (millionaires).

30. Comprehensive schools (a common education for all youth aged 11---14) should be established across Austria.

Belgium Dutch Electoral College

29. The income tax rate for high incomes should be increased.

30. Belgium's state structure should be changed into a confederation

Belgium French Electoral College

29. Financial solidarity between poorer and richer regions must continue to be ensured in Belgium

30. European and national elections should not be held simultaneously anymore

Bulgaria

29. The current protests are purely partisan motivated and should stop immediately

30. Bulgaria should continue to support the South Stream project, even if this undermines its relations with Brussels

Croatia

29. Granting the concessions for highways is a good strategy for improving the state of public finances

30. The financing of the Catholic Church should be separated from the state budget

Cyprus

29. In order to exit the economic crisis, Cyprus should fully implement the terms and conditions of the bailout agreements

30. To remain in the Eurozone, Cyprus should radically reform the size and structure of its banking sector

Czech Republic
29. The common EU currency Euro should be introduced in the Czech Republic
30. The European Union should be enlarged to include Turkey
Denmark
29. In order to maintain its level of welfare, Denmark should leave the European Union
30. Denmark should re-introduce border controls, even if this goes against the Schengen agreement
Estonia
29. Estonia should leave the European Stability Mechanism (ESM)
30. The European Union and Russia should agree on visa freedom
Finland
29. Finland should have an important role in the EU's civilian crisis management operations
30. Finland should support countries that have been most affected by the economic crisis
France
29. In order to fight unemployment and social inequalities, economic globalization should be limited
30. France should contribute to the economic rescue of other EU Member States
Germany
29. Germany should introduce data retention
30. Germany should introduce a highway toll for foreigners
Greece
29. In order to exit the economic crisis, Greece should fully implement the terms and conditions of the bailout agreements
30. Public services should be made more efficient even at the cost of lay-offs
Hungary
29. It should become more difficult for foreigners to buy land in Hungary
30. Hungary's flat-rate personal income tax scheme should not be changed
Ireland
29. Hungary's flat-rate personal income tax scheme should not be changed
30. Corporate taxes should be more standardized across the European Union
Italy
29. The crime of illegal immigration should be punished more heavily
30. Every kind of public financing to political parties should be abolished in Italy
Latvia
29. It should become more difficult for foreigners to buy land in Latvia
30. The EU should recognize and condemn the role played by the communist regime in Central and Eastern Europe

Lithuania
29. The government should maintain and defend the use of Lithuanian in the public sphere
30. The common EU currency Euro should be introduced in Lithuania
Luxembourg
29. In tax matters, Luxembourg should adopt the automatic exchange of information with EU countries on all forms of income (interest, capital gains, dividends, etc.).
30. The separation of European and National elections should be maintained
Malta
29. Malta should be free to adopt a policy of sending migrants back to country of origin (pushback)
30. The sale of Maltese citizenship should be promoted
Netherlands
29. The Netherlands should reintroduce residence and working permit restrictions for for example Bulgarian and Romanian citizens
30. There should be a mandatory minimum wage for workers from other EU Member States that do temporary work in the Netherlands
Poland
29. The common EU currency Euro should be introduced in Poland
30. Poland is not spending its European funds the right way
Portugal
29. Portugal should renegotiate its public debt in order to overcome the present economic crisis
30. Portugal should leave the common EU currency Euro
Romania
29. Romania should be free to combat high-level corruption without monitoring from supranational political entities, such as the European Commission
30. The current Constitutional reform project should be pursued in order to improve the functioning of the Romanian institutions
Slovakia
29. Slovakia should spend less of its European funds on the Roma minority
30. Nuclear energy should remain in the sole competence of the member states of the EU
Slovenia
29. State-owned companies should be privatised as widely as possible
30. Elected politicians should step down when facing criminal investigations, until their name is cleared
Spain
29. When paying for a morgage becomes impossible, the rendition of the house should cancel the debt with the bank
30. Autonomous Communities should be granted the right to become independent states
Sweden
29. The making of profit should not be allowed within tax-financed health care, education, and elderly care
30. Administrative responsibility for Swedish elementary and secondary schools should be transferred from the municipalities to the state

UK-England

29.The UK should hold a referendum to decide whether to continue its membership of the European Union

30. The government should require energy companies to fix prices for the next two years

UK-Northern Ireland

29.The UK should hold a referendum to decide whether to continue its membership of the European Union

30. Northern Ireland should become part of the Irish Republic

UK- Scotland

29. The UK should hold a referendum to decide whether to continue its membership of the European Union

30. Scotland should leave the United Kingdom and become an independent state

UK-Wales

29.The UK should hold a referendum to decide whether to continue its membership of the European Union

30. The Welsh Assembly should do more to promote the use of Welsh in everyday life
