EUI

The European University Institute

Co-funded by the
Erasmus+ Programme
of the European Union

About the EUI

- International organisation set up in 1972 by six member states of the European Communities: Benelux, France, Germany (FRG), and Italy.
- Currently 23 contracting states.
- Research university focusing exclusively on doctoral and post-doctoral studies, and advanced research.

■ EUI Contracting States

■ EUI Associate Member States

Fully-funded four-year doctoral programmes

Each year up to 150 fully-funded scholarships are available in:

- Economics
- History and Civilization
- Law
- Political and Social Sciences

Doctoral Programme

A community of scholars

Join our culturally diverse academic community – study alongside some 900 scholars from ~75 countries

550+

Full-time researchers
(Ph.D. and LL.M.)

90+

Full- and part-time
professors

130+

Full-time fellows
(post-doctoral and senior)

120+

Visiting Fellows
and Researchers

More than just writing a thesis

Sports, music, art, culture, food - researchers and families can participate in, or propose, a range of extra-curricular activities.

Institute

EUI campus

Our EUI campus is spread across historic buildings in the Tuscan hills, between Fiesole and Florence.

Why choose the EUI ?

- A community of scholars with an exclusive focus on doctoral and post-doctoral studies
- Research-intensive environment with opportunities to get involved in cutting-edge research and global research networks
- Fully-funded four-year Ph.D. programme
- One of the world's largest doctoral and post-doctoral programmes, with approximately 900 scholars, and a well-connected alumni network
- Excellent career prospects within academia, international organisations, the public and private sectors, and for NGOs

Why choose the EUI ?

- A world-class research library, the Historical Archives of the European Union and many other excellent research facilities
- High completion rates – 85.3% for researchers admitted 2006-2010
- Joint exchange programmes with major European and North American universities, and funding opportunities for research missions abroad
- Academic and professional development training, plus a wide range of extra-curricular activities

1 November 2019	31 January 2020	February / March 2020	23-26 March 2020	Early April 2020
Opening of application process	Deadline for applications	Processing of applications / preselection	Interviews at the EUI	Decisions about admissions
End of August 2020	1 September 2020			
Registration	Introductions and start of the academic year			

Eligibility criteria: Agreed by funding authorities

Selection criteria:

- Academic record
- Quality of the research proposal
- Potential supervision
- Language abilities
- GRE (only for Department of Economics)

Researcher testimonials

“The best part of doing a Ph.D. at the EUI is the active academic and social community. It’s easy to find engaging conversation and feedback for research.”

– Matilda Merenmies, Law researcher, from Finland

“The EUI is a great place to write a Ph.D. and provides a stimulating environment. The institution has impressive resources and services at your disposal to support you.”

- Johannes Rothe, Political and Social Sciences researcher, from Germany

“The fact that the EUI is small, in comparison with most other top-level universities, makes it easy to get in touch with everyone, including the faculty. It creates a unique spirit of community.”

- Lukas Nord, Economics researcher, from Germany

“The financial stability EUI provides allows you to take the time to broaden and deepen your understanding of the discipline. Talk with your fellow researchers and be open to learning about other sub-fields.”

- Rachel Trode, History and civilization researcher, from Canada
