Referees section

Indicate the required number of referees (2) who have agreed to submit a reference on your behalf. Fill out the requested information about your referees correctly, paying particular attention to the e-mail address, and double-check each one. When you are sure, choose 'Add referee and send request' button, at that moment your referees will receive an automated e-mail with a direct link to submit their reference for you. Nevertheless, it is your responsibility to contact referees directly to inform them of your request to verify that they have received the email request and to ensure that they submit the reference by the deadline. If you make a mistake with the referee e-mail address, use the X to delete and add the referee again. You will have to provide the minimum number of referees before you can continue with your application.

Please check the status of the submission of your references directly on this form.

For further information about references please see: http://www.eui.eu/ProgrammesAndFellowships/DoctoralProgrammeInfoRefs.aspx
