Advertisement for appointment of Research Assistant  
Ref: **RSC 5 / 2011**(please quote in all correspondence)

- Department:** Robert Schuman Centre for Advanced Studies (RSCAS), [www.eui.eu/RSCAS](http://www.eui.eu/RSCAS)
- Start date and duration:** As of October 2011 (3-year contract). The appointment is conditional on the availability of funding, expected to be confirmed for mid 2011.
- Salary** The net monthly salary for a full-time (30/30) contract at the lowest level will be approx. Euro 2,000. The Director of the RSCAS can propose appointment at a higher level for an assistant with exceptional qualifications and in charge of performing core research tasks. In addition, when conditions as laid down by the Statute are applicable, there are family allowances – household allowance, dependent child allowance, education allowance – and expatriation allowance (approx. 16% of salary). For contracts of at least 12 months or prolonged beyond 12 months, an amount equivalent to 16.5% of the basic salary will be paid upon termination of service as severance.
- Director of project:** Prof. Jean-Pierre Cassarino
- Title of project:** **Reintegration of Migrants in their Countries of Origin**
- Job description:** Based on a network of partner institutions located in EU and non-EU countries, the project analyzes the factors and conditions shaping return migrants' patterns of reintegration and contribution to development. Under the supervision of the project director, the incumbent will be fully involved in the scientific leadership and management of the project by:
- Collecting, processing and disseminating documentary and empirical data on return migration while maintaining an inventory of all quantitative and qualitative data;
  - Organizing and managing the project's overall scientific activities and policy events in Europe and beyond;
  - Providing scientific assistance and constructive advice to the project director and the research team.
- Qualifications:** The applicant must have:
- A Ph.D. in the fields of social sciences, political sciences, or statistics;
  - A demonstrated ability to process and analyze field data. Proven familiarity with Stata or SPSS is necessary;
  - Strong analytical and writing skills (please provide a list of publications);
  - Worked in a multidisciplinary and/or international research team;
  - Initiative, sense of responsibility, concern for quality, efficiency and accuracy.
- Languages:** Ability to write, speak, and report in English to a high standard. Knowledge of other languages, particularly French, Spanish or Russian, is an asset.

Applications, with covering letter and curriculum vitae, must be addressed to the Academic Service, for the attention of Dr. A. Frijdal, at the following e-mail address: [apply.resposts@eui.eu](mailto:apply.resposts@eui.eu). The deadline for applications is **10<sup>th</sup> April 2011**.
