VACANCY NOTICE for a RESEARCH FELLOW

The EUI has a vacancy for a Research Fellow in the Robert Schuman Centre for Advanced Studies

Reference number: RSC20/2015 (please quote in all correspondence)

Department:	Robert Schuman Centre for Advanced Studies
Length of contract and % of full-time:	1 or 2 years (to be decided) Full time 30/30
Salary indication:	Approximately 3000 EUR / month net
Director of project:	Prof. Sven H. Steinmo
Title of project:	ERC Advanced Grant Project: Willing to Pay? Testing Institutional Theories with Experiments
Job description:	The candidate will work as a part of the project team on the implementation of the ERC project. He/ She will be expected to help design, conduct, and evaluate social science experiments concerning tax compliance and tax moral in the US and Europe. The candidate will also be expected to work independently and publish in top-tier journals and present at international conferences.
Place of work:	Florence, Italy
Qualifications:	The candidate must possess a PhD. She/ he will be expected to possess advanced quantitative methods skills and a background in experimental methods in the social sciences. Ideally, the candidate will have experience and a record working with both laboratory and survey based experimental methods. She/he should possess a record of independent research and be able to work in an international team. Scholars with demonstrated interest and record of research on tax compliance and/or generational differences are especially encouraged to apply.
Languages:	Fluent in written and spoken English

Contact details	For more information contact: Ilina.Hristova@eui.eu
Deadline	The closing date for applications is 22 May 2015 Interviews with the shortlisted candidates will be organised in the first week of June 2015.
How to apply	Fill in the on line application form and upload documents as requested: <ol style="list-style-type: none">1) Your CV2) Statement letter, giving a maximum three page description of how you believe your interest and expertise can contribute to this ERC project, "Willing to Pay? Testing Institutional Theories with Experiments". See www.willingtopay.eu.3) Under 'other uploads': One manuscript or published article (but no more than two) that you feel best represent your work and its relationship to this project.
