## VACANCY NOTICE for a RESEARCH FELLOW

The EUI has a vacancy for a Research Fellow in the Robert Schuman Centre for Advanced Studies.

**Reference number: RSC20/2017** (please quote in all correspondence)

<b>Department:</b>	Robert Schuman Centre for Advanced Studies, Migration Policy Centre (MPC)
<b>Length of contract and % of full-time:</b>	Full-time, starting as soon as possible, until 30/04/2019. The contract can be further renewed several times up to a total of 5 years (including the first contract period).
<b>Salary indication:</b>	The basic net monthly salary after taxes is approx. 3,185 euro. In addition to the salary, the Research Fellow may be entitled to receive various allowances, in particular: household allowance, expatriation allowance, dependent child allowance and education allowance. More information about conditions of employment is available <a href="#">here</a> .
<b>Director of project:</b>	Prof. Geddes/Prof. Venturini
<b>Title of project:</b>	MEDAM - Mercator Dialogue on Asylum and Migration
<b>Job description:</b>	<p>The Mercator Dialogue on Asylum and Migration (MEDAM) is a research and consultation project that aims to answer the most relevant research questions and pressing concerns of policy makers in the areas of migration and asylum. To support our work on this project, we are seeking to recruit a skilled social scientist with specialism in migration studies. The post requires advanced knowledge of quantitative methods and new techniques suitable to analyse large-scale structured and unstructured data to support policy analysis and evaluation. The project covers all stages of the migration process, including the wellbeing of migrants themselves, those left behind in migrants' countries of origin, migrants' integration in their countries of destination, and international cooperation in the provision of asylum and employment opportunities.</p> <p>The Research Fellow is expected to actively disseminate research work and findings, prepare work for publication in high-quality peer reviewed academic outlets and contribute to the work of</p>

	the Migration Policy Centre within the Robert Schuman Centre for Advanced Studies.
<b>Place of work:</b>	Florence, Italy
<b>Qualifications:</b>	<ul style="list-style-type: none"> <li>• Hold (or close to completing) a PhD in quantitative social sciences with a focus on migration or a closely related fields;</li> <li>• Advanced knowledge of quantitative methods and new techniques suitable to analyse large-scale structured and unstructured data in the techniques associated with policy evaluation, migration policy analysis, social networks, demography and related areas.</li> <li>• Publication in the field of assimilation of migrants and development are appreciated</li> <li>• Strong academic and analytical profile, ability to take initiative, drive issues forward and an interest in developing research that helps to solve real-world problems;</li> <li>• Have already demonstrated a strong academic potential and an interest in influencing policy at either European or national level;</li> <li>• Thrive communicating ideas both at academic conferences and in policy workshops.</li> </ul>
<b>Languages:</b>	Fluent English in writing and speaking is required, knowledge of other languages is a plus
