

The EUI has an open vacancy for a

Research Fellow in the

Robert Schuman Centre for Advanced Studies

Florence, 27 May 2022

Reference: V/RF/RSC/19/2022

Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate, doctoral and post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The Robert Schuman Centre for Advanced Studies (RSCAS) is an inter-disciplinary research centre at the heart of the European University Institute (EUI). It was established in 1992 to complement the four EUI disciplinary departments (Economics, History and Civilization, Law, Political and Social Sciences) with the aim to be involved in both basic and policy research, collaborate with other centres of excellence in Europe, provide opportunities for young scholars and promote dialogue with the world of practice. The Centre's goal is to maintain an environment and support structure that fosters intellectual curiosity and excellent research. The research agenda of the Centre is currently guided by three major themes: Integration, Governance and Democracy; Regulating Markets and Governing Money; and 21st Century World Politics and Europe.

About the project

Project Director(s)

Prof. Bernard Hoekman

Project details

Global Economics - [Global Governance Programme](#)

Job description

The research fellow will carry out research work in an independent manner and collaborate on the research work of the project. The successful candidate will lead the Digital Trade Integration (DTI) project, including:

- overseeing and contributing to the associated international data collection effort;
- maintaining and expanding cooperation with partner international organizations on digital trade-related and regulatory regimes;
- pursuing efforts to raise external funding for the project;
- undertaking and guiding research using the DTI database.

Qualifications and experience

Qualifications and

Essential:

Experience

- PhD in Law and Economics;
- Demonstrated experience in collecting and compiling regulatory information into databases and generating associated indicators and indices;
- Excellent knowledge of digital trade policies reflected in publications;
- Experience in managing an international network of consultants;
- Proven experience in working with international organizations.

Languages

Excellent knowledge of English, both written and spoken (CEFR level: C1 or above). Good knowledge of Spanish (CEFR level: B2 or above) constitutes an advantage.
