

The EUI has an open vacancy for a

## Research Fellow in

# Robert Schuman Centre for Advanced Studies

Florence, 08 February 2022

Reference: **V/RF/RSC/6/2022**

### Who we are

The **European University Institute (EUI)** at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate, doctoral and post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The **Robert Schuman Centre for Advanced Studies (RSCAS)** is an inter-disciplinary research centre at the heart of the European University Institute (EUI). It was established in 1992 to complement the four EUI disciplinary departments (Economics, History and Civilization, Law, Political and Social Sciences) with the aim to be involved in both basic and policy research, collaborate with other centres of excellence in Europe, provide opportunities for young scholars and promote dialogue with the world of practice. The Centre's goal is to maintain an environment and support structure that fosters intellectual curiosity and excellent research. The research agenda of the Centre is currently guided by three major themes: Integration, Governance and Democracy; Regulating Markets and Governing Money; and 21st Century World Politics and Europe.

## About the project

**Project Director(s)** Prof. Stephanie Hofmann

**Project details** [ADHOCISM](#) - [Global Governance Programme](#)

**Job description** The research fellow will carry out research work in an independent manner and collaborate on the research work of the project.

The successful candidate will be part of the ADHOCISM research team around John Karlsrud, Yf Reykers, Stephanie Hofmann, Pernille Rieker, Malte Brosig, funded by the Research Council of Norway and ran out of NUPI. The project examines the impact of ad hoc coalitions on international organizations in international security and health.

**Main tasks** will be to: take the lead in developing a dataset on ad hoc coalitions in international security and health; contribute to articles on the dataset and a conceptual framework; and contribute to a case study on ad hoc coalitions in global health
