

The EUI has two (2) open vacancies for

**CANCELLED**

# Research Fellows in the School of Transnational Governance

Florence, 14 December 2022

Reference: V/RF/STG/35/2022

## Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate, doctoral and post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The EUI **School of Transnational Governance** (STG) trains tomorrow's leaders on the concepts, methods and practices of governance beyond the state. It offers policy leader fellowships, executive training and high-level policy dialogues. The School launched a new Master's programme in transnational governance in 2020.

Place of work

Florence, Italy

## About the project

### Project Directors

STG Director Alexander Stubb and Prof. Daniel Innerarity

### Project details

The [Chair in Artificial Intelligence and Democracy](#) (AI and Democracy) is aimed at conducting continued research, transfer, dissemination, teaching and innovation activities on matters related to artificial intelligence and democracy.

### Job description

The research fellows will carry out research work in an independent manner and collaborate on the research work of the project. Main tasks include:

- Carrying out research and scholarly work for professors and stakeholders linked to the Chair of AI and Democracy;
- Focusing on the development of publications on fields of study relating to the Chair of AI and Democracy;
- Coordinating and supporting the training activities of professors and collaborators in the context of the Chair of AI and Democracy;
- Fostering the academic dialogue and knowledge exchange among universities and the policy-making world at European level and beyond Europe in areas associated with the Chair of AI and Democracy.

## Qualifications and experience

### Qualifications and Experience

#### Essential:

- PhD in Social Sciences, Philosophy, Computer Science or related field, also including Ph.D. students about to defend their thesis, conditional on the successful defense by the contract start date;
- Proven skills in publishing that bridges academic and popular audiences;
- Demonstrated expertise in transnational and/or cross border communications work.

#### Desirable:

- Proven experience of at least two years in areas related to AI and Democracy, broadly defined;
- Proven experience at research or assistant position in a university or any other research institution related to the topic of AI and Democracy;
- Demonstrated experience in interdisciplinary research.

### Languages

Excellent knowledge of English, both written and spoken (CEFR level: C1 or above). Knowledge of other languages is an advantage.
