

Department of Political and Social Sciences

The European University Institute is looking for candidates to fill the position of

Assistant Professor in Computational Social Science

The Department of Political and Social Sciences at the European University Institute seeks to appoint an Assistant Professor in Computational Social Science, broadly understood. The position is advertised at the rank of Assistant Professor to commence in the academic year 2024/25.

We welcome applicants from candidates with a substantive research agenda either in political science or in sociology, and who integrate research ethics into their methods teaching and research.

Candidates should have a PhD by September 2024. The candidates should show strong research potential and a capacity for effective teaching and advising at graduate level.

The Institute is an equal opportunity employer, and is committed to balanced gender, geographical and minority representation.

Interested applicants should consult [Open competitions for academic posts • European University Institute \(eui.eu\)](#) for further particulars.

Deadline for receipt of applications: **14 September 2023.**
