

The EUI has an open vacancy for a

Research Assistant in the

Robert Schuman Centre for Advanced Studies

Florence, 08 July 2024

Reference: V/RA/RSC/80/2024

Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate, doctoral and post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The Robert Schuman Centre for Advanced Studies (RSCAS) is an inter-disciplinary research centre at the heart of the European University Institute (EUI). It was established in 1992 to complement the four EUI disciplinary departments (Economics, History and Civilization, Law, Political and Social Sciences) with the aim to be involved in both basic and policy research, collaborate with other centres of excellence in Europe, provide opportunities for young scholars and promote dialogue with the world of practice. The Centre's goal is to maintain an environment and support structure that fosters intellectual curiosity and excellent research. The research agenda of the Centre is currently guided by three major themes: Integration, Governance and Democracy; Regulating Markets and Governing Money; and 21st Century World Politics and Europe.

Place of work

Florence, Italy

About the project

Project Director(s)

Prof. Thorsten Beck

Project details

The [Florence School of Banking and Finance](#) is a key point of reference for training and debate on banking and finance policy at the European level. Since its establishment in 2016, more than 17.000 people from over 75 countries have participated in over 200 training and debate activities of the School. The banking and financial professionals involved in the School's activities include members of European and non-European central banks, national supervisory and control authorities, European institutions, academia and the private sector, including numerous high profile figures.

Job description

The research assistant will provide research support to Project Director and relevant team coordinator. The main focus will be on ongoing work in the areas of:

- i) sustainable finance and climate and nature risks and/or

- ii) central banking;

- iii) banking supervision.

Main tasks include:

- Assisting in the design and organisation of training activities of the school, both residential and on-line;
- Supporting the development of new training activities and updating the existing training offers in the above area;
- Providing support to the development of case studies, practical activities and other teaching materials;
- Supporting the faculty members in preparation of the courses;
- Contributing to the organisation of seminars and other research or policy events;
- Supporting dissemination activities of the school, including podcasts, blog posts and events/conferences write-ups;
- Assisting in market research and public policy monitoring;

Qualifications and experience

Qualifications and Experience

Essential:

- Bachelor of Arts in Economics, Finance, Law, Political Science or related discipline;
- Proven excellent organisational and communication skills;

- Proactivity and ability to work autonomously as part of an international team proven by previous work experience.

Desirable:

- Master of Arts or Master of Science in Economics, Finance, Law, Political Science or related discipline;
- Demonstrated professional experience in banking and finance outside academia;
- Proven relevant work experience Demonstrated experience in international organisations.

Languages

Excellent knowledge of English, both spoken and written ([CEFR](#) level: C1 or above). Knowledge of other languages constitutes an advantage.
