

The EUI has an open vacancy for a

Research Assistant in the

Florence School of Transnational Governance

Florence, 12 November 2025

Reference: V/RA/STG/14/2025

Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate**, **doctoral** and **post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The [Florence School of Transnational Governance](#) (STG), founded in 2017 at the European University Institute, is a global hub for teaching, training, and research in governance beyond national borders. In the cradle of the Renaissance, we provide a dynamic platform where leaders from policymaking, business, civil society, media, and academia connect. We welcome independent minds, thinkers, and doers, offering world-class expertise from leading scholars and policymakers. Committed to innovation and inclusivity, we equip future and current leaders with the tools to tackle today's most pressing global challenges. We believe public policy should bring out the best in people.

Place of work

Florence, Italy

About the project

Project Directors

Prof. Jos Delbeke and Fabrizio Tassinari

Project details

[STG Climate](#) is a European and global hub of excellence in knowledge-exchange, research and education on climate change policies and governance. Its experts offer top-tier research, teaching and training on a wide range of climate-related issues

Job description

The research assistant will provide research support to the project director by:

- Conducting research on clean industrial policy and carbon pricing;
- Contributing to policy relevant publications e.g. Policy Briefs;
- Contributing to the organisation of high-level policy dialogues;
- Contributing to the design and delivery of teaching and training.

Qualifications and experience

Qualifications and Experience

Essential:

- Master of Arts in Economics or a related field.
- Demonstrated knowledge of clean industrial policy and carbon pricing.
- Track record of policy relevant research on climate policy.

Desirable:

- Proven experience in contributing to policy relevant publications.
- Proven experience in contributing to policy events.

Languages

Excellent knowledge of English, both spoken and written ([CEFR](#) level: C1 or above). Knowledge of other languages constitutes an advantage.

How to apply

Deadline

The closing date for applications is **27 November 2025** at midnight (Florence time)

Contact details

For more information contact Barry O'Connell (barry.oconnell@eui.eu)

How to apply

Fill in the [online application form](#) and upload documents as requested

Data Protection

The purpose of processing the data submitted by candidates is to manage their application in view of a possible pre-selection and recruitment by the EUI. The information candidates provide in their application form is collected for the purpose of the selection procedure. The EUI will ensure that candidates' personal data are processed as required by its Data Protection Policy ([President's Decision No. 10/2019 of 18 February 2019 regarding Data Protection at the EUI](#)).

Equal opportunities

The European University Institute applies a policy of equal opportunities, which, in accordance with Article 1d of its Staff Regulations, prohibits discrimination on any grounds such as sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation. Any reference in this notice to a person of the male sex must be deemed also to constitute a reference to a person of the female sex.
