### Who we are

The **European University Institute** (EUI) at a glance:

- an **international organisation** set up in 1972;
- a research university focusing exclusively on **postgraduate**, **doctoral** and **post-doctoral studies**, and advanced research;
- located in the hills overlooking the city of Florence, Italy.

The Institute also hosts the Historical Archives of the European Union.

The [Florence School of Transnational Governance](#) (STG), founded in 2017 at the European University Institute, is a global hub for teaching, training, and research in governance beyond national borders. In the cradle of the Renaissance, we provide a dynamic platform where leaders from policymaking, business, civil society, media, and academia connect. We welcome independent minds, thinkers, and doers, offering world-class expertise from leading scholars and policymakers. Committed to innovation and inclusivity, we equip future and current leaders with the tools to tackle today's most pressing global challenges. We believe public policy should bring out the best in people.

## About the project

**Project Director**

Prof. Jos Delbeke

**Project details**

The [EUI Carbon Markets Hub](#) was launched in 2023, leveraging expertise in the EU and UK ETS, CBAM, carbon credit markets, and approaches within Article 6 of the Paris Agreement, as well as lessons from the CDM under the Kyoto Protocol and CORSIA. Its priorities include developing carbon pricing as a central component of climate policies at all levels - national, regional, and global - exploring potential interoperability and examining the emerging role of CDR credits.

**Job description**

The Research Assistant will provide research support to the project director.

Main tasks include:

- Conducting research on carbon pricing, carbon credit markets, and developments under Article 6 of the Paris Agreement;
- Producing policy relevant publications (e.g. policy briefs);
- Supporting the organisation of high-level policy dialogues.
- Supporting the design and delivery of teaching and training.

## Qualifications and experience

**Qualifications and Experience**

**Essential:**

- Bachelor of Arts in Economics, Political Science or a related field;
- Demonstrated knowledge of carbon pricing, carbon markets, Article 6 of the Paris Agreement, multi-stakeholder initiatives on credit integrity.

**Desirable:**

- Track record of research and policy work on carbon market regulation, carbon credits, and governments' engagement with Article 6;
- Demonstrated experience in supporting the organisation of conferences, panels, or symposia.

**Languages**

Excellent knowledge of English, both spoken and written ([CEFR](#) level: C1 or above). Knowledge of other languages constitutes an advantage.
