

Florence, 11 February 2005

Advertisement for appointment of Academic Assistant

Ref: **RSC 3/2005** (please quote in all correspondence)

Department: Robert Schuman Centre for Advanced Studies

Length of contract and % of full-time: Half time, start date as soon as possible, end date 1 February 2007

The stipend will be between € 1.100 and € 1.500 per month (net), depending on age.

Director of project: Prof. Helen Wallace

Title of project: Several RSCAS-based research projects

Job description: The assistant will support the web-related activities of several research projects of the RSCAS. S/he will create and maintain the back-office for dynamic web sites and assist in their day-to-day maintenance. S/he will have to develop quantitative and qualitative databases and their access through the internet.

Qualifications: Interest and experience in internet development. Demonstrated skills in database management and statistics. Knowledge of SAS and/or SPSS and Map Info. Knowledge of Dreamweaver MX 2004 and Contribute 3. Knowledge of Internet server side scripting using Java, ASP or PHP. Knowledge of relational databases: Access, MySQL, FileMaker Pro.

(Knowledge of CMS, UNIX shell scripting, client side Java scripting, CGI, PERL and Oracle will constitute an advantage)

We do not exclude that we will consider applications from candidates who can not take residence in Florence.

Languages: English. Knowledge of French or Italian and of other European languages would be an advantage.

Applications, with curriculum vitae and specifying relevant experience and training, as well as any requests for information about the position, must be addressed to the Robert Schuman Centre at the following e-mail address: **apply.rscas@iue.it**. The deadline for applications is **25 February 2005**.
