

HIGH COUNCIL DECISION N. 9/2021

of 23 June 2021

amending the Financial Rules outlined in High Council Decision n° 6/2015 of 4 December 2015

THE HIGH COUNCIL

Having regard to the Convention setting up the European University Institute (hereinafter the “EUI” or “the Institute”), and in particular Article 6(5)(a), Article 21, Article 23 and Article 26 thereof,

Whereas:

1. The Convention stipulates in its Article 23 (1) that the High Council shall appoint two auditors of different nationalities for a period of four years.
2. The EUI as an international organization operated by member states of the European Union intends to implement the common values of the European Union into its internal procedures. Therefore, the EUI has been traditionally applying *mutatis mutandis* the EU primary and secondary legislation by transposing it into its own regulatory framework after adapting them to its nature, administrative structure and budgetary specificities.
3. The EUI considers Directive 2006/43/EC of the European Parliament and of the Council of 17 May 2006 on statutory audits of annual accounts and consolidated accounts, amending Council Directives 78/660/EEC and 83/349/EEC and repealing Council Directive 84/253/EEC and its amendments.
4. According to article 3 of this Directive audit firms as legal persons are considered as the same appropriate instruments for statutory audits as natural persons.
5. The EUI is convinced that in accordance with Article 23 (1) of the Convention audit firms could also be appointed as entities to carry out the audit at the EUI as long as the specific safeguards for the independence of the auditors nominated by the audit firms are still guaranteed.
6. The issue of the dismissal of the external auditors and/or the audit firm shall be clarified in accordance with EU directive 2006/43/EC and its amendments.
7. The High Council unanimously endorsed the proposal of the HC Financial Working Group regarding the preparation and presentation of three annual accounts: a EUI-Core Activities, a EUI-Pension Reserve Fund and a EUI-Consolidated.

8. The presentation of three reporting entities according to an accrual accounting framework requires the preparation of the accounting system. The accounting system, that is used by the Secretariat General of the Council of Europe, European Court of Auditors, Court of Justice of the European Union and EUI, must be operational by beginning of October 2021 to allow the Accounting Officer the preparation and presentation of the EUI-Core Activities, EUI-Pension Reserve Fund and EUI-Consolidated accounts for financial year 2021.
