

EUI Photo Contest Guidelines

Entering into 2021, we invite all members of the EUI to open up their (digital) photo albums, and to share with the rest of the community moments that you have documented during the challenging year of 2020. Photos can be presented along diverse themes: it may be an intimate portrait related to personal stories about frustrations and resilience; it may present a memorable moment that would never have taken place if not for the pandemic (who prior to 2020 could have imagined a near empty Galleria as depicted below!) Hopefully, these images and the stories behind them can help each one of us to learn a bit more about ourselves, our colleagues, these uncertain times we have lived through, and perhaps in the process generate some insights to help us move on into an—as ever—unknown future.

All photos taken by EUI members (**and their partners!**) after 1 January 2020 are eligible for the contest, and there is no geographical limits. Participants can submit **up to 3 photos**, supplemented with the participant's **name, institutional affiliation**, the **time and location** of the picture, as well as a short **caption (no more than 80 words)**. Pictures and their captions should be sent to the dedicated email address: pics2020@eui.eu no later than **15 February 2021**. If you have any further questions, feel free to submit them to pics2020@eui.eu.

“In an early morning last June, as Florence had begun re-opening its museums, I walked into an eerily empty *Galleria*, to see David of Michelangelo for the first time. That day, I was almost able to have the statue all for myself, an experience that somewhat captured how the pandemic’s unexpected effect, of pulling me closer to the city of Florence.”
