A word cloud in the shape of a speech bubble, filled with various German greetings. The most prominent words are 'Hallo', 'Moin', 'Guten Tag', 'Grüß Gott', 'Servus', and 'Gruezi'. The words are arranged in a way that they overlap and flow together, creating a sense of a continuous stream of greetings. The background of the speech bubble is a light blue gradient, and the words are in a dark blue, sans-serif font. The overall shape of the word cloud is roughly oval, with a small tail at the bottom left.
