Please inform the EUI4U Welcome Unit of the date and time of your arrival at the Institute as soon as you know it. Registration is arranged by appointment.

# **Grant and Taxation**

### Grant

The grant is indicated in the offer letter for the fellowship.

Fellows are normally paid directly by the Institute into their Florence bank account, or, if they so prefer, in their home bank account (see p. 10 on the EUI bank). Bank charges for payments to non-Italian accounts are at the expense of the fellow.

Before your arrival, we will send you a bank details form so that you can provide us with the necessary information for the payment of your grant.

### **Taxation**

The fellowship is not taxed by the Institute. Fellows are, however, required to comply with any other tax provisions that may be applicable to them.

# **European University Institute Card**

# **European University Institute Card**

Upon registration, fellows receive a EUI identity card with their photograph and matriculation number. This is used to access the EUI campus, the Library, and it can be used in the canteens.

EUI cards are prepared beforehand. As such, you should email a **passport photo in electronic format** (.jpg) to <u>EUI4U.Welcome@eui.eu</u> at your earliest convenience, and always before your start date.

### **Partner Cards**

Postdoctoral fellows may apply for a EUI card for their partner. It grants partners access to the same buildings as the fellows, as well as access to the Library (without any print or photocopying quota). For further information, and to apply for a partner card, please consult the <u>EUI Partner Card page</u>.

## Cadmus, EUI Research Repository and Open Access

<u>Cadmus</u> is the EUI Research Repository. It contains EUI-members' academic publications and datasets issued during their time at the EUI and/or based on research carried out at the EUI. Cadmus also includes all publications from academic series sponsored by the EUI, such as working paper series and theses written by EUI researchers. Cadmus contains Open Access publications at an increasing proportion. Cadmus is searchable in, and harvested by, several European and international networks and portals.

All members of the EUI are required to submit their publications to <a href="mailto:cadmus@eui.eu">cadmus@eui.eu</a> and to add the full-text where possible; datasets should be submitted to <a href="mailto:resdata@eui.eu">resdata@eui.eu</a>. EUI members should also connect their ORCID to Cadmus [<a href="https://cadmus.eui.eu/ORCID/">https://cadmus.eui.eu/ORCID/</a>] in order to allow for the automatic population of their ORCID profiles.

Every year the Library organises events at the EUI, in February, during the international Love Data Week and in October during the International Open Access Week.

# **Language Centre**

The EUI Language Centre provides various types of language and academic skills courses and support in English, Italian, French, German and Spanish.

Please do not have any mail sent to you before your arrival.

# **Photocopying**

Fellows have an annual quota of roughly 4,000 pages for both black and white or colour photocopies and printouts, free of charge.

### Bank

Grants are paid directly into the fellow's bank account (in Florence, or home bank account).

There is a branch of the bank *Intesa Sanpaolo* at the Institute, located in the Bank Corridor (open Mon - Fri 8.45 - 13.00; Wed also 14.00 -16.00) and a *Intesa Sanpaolo Bancomat* (cashpoint / ATM machine) in the same corridor.

If you choose to open an Italian bank account upon arrival, please give the details to the EUI4U Welcome Unit as soon as possible after registration. This allows the administration to go ahead with the payment of your first grant.
