## Registration

### Registration

On arrival, new fellows register with Stefania Bocchi of the Welcome Unit Office at the Badia Fiesolana. During registration, we will provide you with your EUI card and other useful documents and information for your stay in Florence.

**Please inform Stefania Bocchi of the date and time of your arrival at the Institute as soon as you know it.**

## European University Institute Card

Fellows are requested to supply a digital photo, which is used to issue their EUI card.

### European University Institute Card

Upon registration, fellows receive a EUI identity card with their photograph and matriculation number. This is used to access the EUI campus, the Library, and it can be used in the canteens.

EUI cards are prepared beforehand. As such, you should email a **passport photo in electronic format (.jpg)** to [welcomeunit@eui.eu](mailto:welcomeunit@eui.eu) at your earliest convenience, and always before your start date.

### Partner Cards

Postdoctoral fellows may apply for a EUI card for their partner. It grants partners access to the same buildings as the fellows, as well as access to the Library (without any print or photocopying quota). For further information, and to apply for a partner card, please consult the [EUI Partner Card page](#).

## Research Tools

### **The ICT service**

The ICT Service provides the information technology resources for the work and activities of the EUI members. The ICT offers and maintains a wide range of services, including: computing accounts with a EUI email address, personal network storage area (G: drive), support for personal devices, printing services, on campus access via LAN and WiFi, as well as off campus intranet access via VPN. The ICT service also provides a wide range of research software for personal use.

### **Library**

The Library supports the high-level research, teaching and training activities of the EUI scholarly community, and aims to provide the best possible collections, services and information tools in the social sciences and humanities, with a particular emphasis on Europe.

The collections include over half a million books and more than 500.000 eBooks in law, economics, history and civilization, and political and social sciences. Most of the Library's holdings are on open shelving.

In addition, the Library provides access to an extensive collection of databases, full text eJournals, and working papers.

The Library also maintains two portals: a Data Portal for licensed and open access, micro and macro-datasets; and the European History Primary Sources Portal, covering open access online archives.

The Library has the status of European Documentation Centre (EDC), an official depository of EU publications and documents.

Users have a range of services at their disposal: on-demand acquisition of books, generous lending policies, daily book delivery service to the main EUI villas, fast document delivery services and interlibrary loans, personal assistance and numerous training sessions. During the long opening hours users can enjoy about 200 workspaces, a Social Room and a Discussion Room. In addition to the Library's 50 computers, users can access the EUI network with their personal laptops via LAN and WiFi connections.

Please note that library fines are charged for overdue items. It is your responsibility to manage your library borrowing and to renew or return your books on time.

## **Cadmus, EUI Research Repository**

The EUI supports the principle of [Open Access](#). Cadmus is the EUI's open access research repository and contains more than 22,500 academic publications by EUI members, which were either produced during their time at the EUI or based on research carried out while at the EUI. It also includes EUI PhD theses, working papers and other EUI series. Cadmus is searchable in, and harvested by, several [European and international networks and portals](#). Fellows are required to submit their publications to [cadmus@eui.eu](mailto:cadmus@eui.eu) and to add the fulltext where possible. Every year in October the Library organises events at the EUI for the annual International Open Access Week.

## **Language Centre**

The EUI Language Centre provides various types of language and academic skills courses and support in English, Italian, French, German and Spanish.
