The Service develops, plans and responds to ordinary requests from the internal stakeholders for the optimal allocation of spaces available, working regularly with the top management and the Departments, Centres and Services. The Service also operates and manages all facilities, infrastructure and related support services across the EUI. It includes, among other functions, real estate, housing, facilities operations & management, campus security and safety, environmental services. Information about the EUI campus is available on the EUI website at http://www.eui.eu/ServicesAndAdmin/PatrimonialService/EUICampus/Index.aspx
