## 2. Procedure

The selection process consists of two steps: in the first, applications will be screened for completeness and eligibility (**Eligibility Check - Stage I**); in the second, eligible candidates' applications will be submitted to the Selection Committee for **Evaluation & Selection (Stage II)**.

In this second step, the Selection Committee will shortlist, based on a comparative review, the candidates who will be admitted to the programme. Candidates may be invited for an interview as part of the selection process if requested by the Selection Committee.

During the **Post-selection procedures (Stage III)**, candidates will be informed of the decision made by the Selection Committee.

The EUI GEM team will notify in writing the selected candidates of the decision made by the Selection Committee. The selected candidates must confirm their acceptance and comply with the financial requirements within the deadline indicated in the notification.

## Selection criteria

During the selection process, the Selection Committee will assess the following **elements**:

- **Professional experience**: years and type of professional experience (30%)
- **Motivation**: clear objectives and expected outcomes of taking the EUI GEM programme for personal and professional growth, overall compatibility level, and potential for success within the learning environment of the EUI (30%)
- **Academic background** (20%)
- **Non-academic experience and individual attributes**: life experiences, leadership skills and roles, community service and/or civic engagement, intellectual curiosity, strong drive (20%).

The Selection Committee will base its work on **the documentation submitted by the candidates** and will assess their merit for admission **(with a possible interview)**. **It will finally produce a ranking list of admitted candidates.**

## 3. Checklist for candidates

During the application process, you will be asked to provide the following information:

- **Fill out the online application form**
- **Write a letter of motivation (max 500 words, text box in application form)**, clearly stating your expectations for the programme, how it will contribute to your personal and professional growth, and how it will help you develop in your area(s) of expertise and lead to a positive change.
- **Write a short tentative study plan, elaborating on your potential choice of electives and a possible research proposal for the Capstone project (max 500 words, text box in application form)**
- **Write a short description of your current and most relevant previous work experience (max 200 words, text box in application form)**
- **Provide examples of civic engagement and/or leadership roles you have held (max 200 words, text box in application form)**
- **Upload your Curriculum Vitae (PDF format)**
- **Upload a copy of your university diploma(s) (PDF format)**: if you hold more than one academic degree, you should provide a copy of each diploma obtained in support of the application file.

- If your university diploma is in a language other than one of the [official EU languages](#), you must submit a copy of the original together with a translation in English. Hard copies are not required at this stage.
- **Upload a copy of an Identity Document:** if you hold dual nationality, you should attach a copy of a second passport/ID card proving the second nationality.
- **Proof of English language proficiency:** you should provide evidence of your English language proficiency. For non-native speakers, this can be certified through a language certificate or your professional/study experience.
- **One reference letter** to be submitted directly by an academic or professional referee.

**In case you are applying for one of the competitive EUI GEM funding schemes**, you will also be asked to write **an additional motivation letter** to elaborate on the reasons for requesting financial support and explain why you are a strong candidate to receive funding (max 400 words, text box in form).
