Registration

Registration, distribution of general information, and welcome events take place on 2nd September 2026 at the Badia Fiesolana.

During registration, we provide you with your EUI card for access to EUI facilities, and give you general information about life at the EUI.

Details of registration day and events will be sent to you in the early Summer.

Please note that your grant will only be paid for the agreed duration of your fellowship. If you arrive after the formal start date of your fellowship, your grant will be proportionally reduced, and you should register individually at the Welcome Unit at the Badia Fiesolana.

Prior to your arrival you will be requested to register online and you will be required to upload some or all of the following:

- Your bank account details
- Relevant supporting documents for the payment of family allowances (i.e. proof of partner living in Florence; birth certificates of children)
- Proof of health insurance
- A copy of your doctoral degree certificate

Please note:

- **The beginning of your stay in Florence may prove expensive, given the cost of deposits for rental properties (usually 1-2 months' rent), and because it takes some time for the first instalment of your grant to be credited to your bank account. We advise you to bring sufficient money to cope with any extra costs.**
- **If you are planning to come with your own vehicle and to use it in Florence, please contact the Welcome Office (welcome@eui.eu) for more information regarding the current Italian legislation concerning this matter.**

Grant, Allowances, Taxation and Travel Expenses

Grant

The basic grant is €2,500 per month. If the duration of the fellowship is less than 12 months, no grant will be paid for the month of August.

The Institute normally pays the grants directly into the fellow's Florence bank account (see p. 10 on the EUI bank). Please note that some non-Italian banks may apply bank charges. If so, those will be at the expense of the fellow.

You will be required to provide your bank details, including IBAN (if applicable) and SWIFT/BIC codes for payment of your grant.

Should a fellow leave before the end of the fellowship (before 20th July), the grant will be accordingly reduced, and no grant will be paid for the month of August.

If a fellow benefits from other grants or salaries, this must be declared to the EUI and the EUI grant may be fixed at a lower rate, depending on the amount of the additional income. Supporting documentation (payslip) is requested.

Allowances

A household allowance of up to €300 per month is paid to fellows with a partner accompanying them to Florence, on the condition that the partner's income is less than €2,000 per month. The sum of income and allowance cannot exceed €2,000 per month (i.e., if the income is more than €1,700, the allowance will be paid only to top up to €2,000).

A dependent's allowance of €200 per month is paid for each dependent child if they live with the fellow in Florence.

Fellows are entitled to the allowances if they can declare that they are not receiving similar allowances from other sources, and upon presentation of relevant certificates (marriage or equivalent, birth certificate of child). A school or university certificate is required for dependent children in full-time education and over the age of 18. There is no allowance for dependent children over the age of 26.

Taxation

The fellowship is not taxed by the Institute. However, fellows are required to comply with any other tax provisions that may be applicable to them.

Travel Expenses

Fellows (but not their families) receive reimbursement for the incoming trip from their place of origin (the place from where the fellow travels to take up the fellowship) at the beginning of the fellowship, and for the outgoing trip to their destination at the end of the fellowship. Maximum reimbursement is €1,200 including both incoming and outgoing trips.

Reimbursement of your travel expenses will be made upon the presentation of your travel documents/tickets (showing the price paid). You will be asked to submit your claim via an online platform accessible with your EUI account. Once you arrive, you will receive an automatic message with a link to the platform, where you can submit your claim.

Reimbursement is made for first-class rail travel or economy-class air travel.

Travel by car is reimbursed with the equivalent of a first-class rail ticket (previous authorization is required). Only one-way tickets can be reimbursed, and, in case of a return ticket, only half of the ticket can be reimbursed on arrival.

N.B. If the cost of luggage is not included in the price of the plane ticket, the cost of 1 piece of luggage can be reimbursed.

Taxi costs cannot be reimbursed.

Reimbursement for the trip from Florence back to the hometown or place of employment is made after the formal end of the fellowship, i.e., after 31/08/2027, upon presentation of travel receipts and completion of the relevant online request. If the reimbursement of the return trip and/or the last grant payment is to be made on another bank account, the fellow must fill in a new bank details form in due course so as not to delay the payment.

Visa expenses

The visa application fees for the fellow can be reimbursed up to 250€ including travel to/from Embassy/consulate, on the basis of supporting documents. The visa applications fees for family members are not eligible for reimbursement.

European University Institute Card

EUI Card

Upon registration, fellows receive a EUI identity card with their photograph and matriculation number. This is used to access the EUI campus, the Library, and it can be used in the canteens.

Partner Cards

Postdoctoral fellows may apply for a EUI card for their partner. It grants partners access to the same buildings as the fellows, as well as access to the Library (without any print or photocopying quota). For further information, and to apply for a partner card, please consult the [EUI Partner Card page](#).
