## Registration

Registration, distribution of general information, and welcome events take place on 2nd September 2025 at the Badia Fiesolana.

During registration, we provide you with your EUI card for access to EUI facilities, and give you general information about life at the EUI.

Details of registration day and events will be sent to you in the early Summer.

Please note that your grant will only be paid for the agreed duration of your fellowship. If you arrive after the formal start date of your fellowship, your grant will be proportionally reduced, and you should register individually at the Welcome Unit at the Badia Fiesolana.

**Prior to your arrival you will be requested to register online and you will be required to upload some or all of the following:**

- Your bank account details
- Relevant supporting documents for the payment of family allowances (i.e. proof of partner living in Florence; birth certificates of children)
- Proof of health insurance. Max Weber Fellows are covered under the EUI's medical plan (basic plan) provided by Cigna at the expense of the EUI, unless they wish to continue under their own active policies (further information on page 6).
- A copy of your doctoral degree certificate or, if not yet available, a certificate from your university stating that the PhD thesis has been officially submitted and accepted for its final defence
- Proof of English proficiency: this can be one of the following international certificates (IELTS, TOEFL Cambridge proficiency, Cambridge English), or a supporting document showing that the candidate has written the doctorate, or published an article or a book chapter of at least 6000 words in English, or has studied and holds a qualification from a University where the language of instruction and assessment was English. Native English speakers are exempt of proof.

Please see this link for more information, including a list of accepted certificates <https://www.eui.eu/apply?id=max-weber-fellowships&subpage=informationForApplicants>

**Please note:**

- **The beginning of your stay in Florence may prove expensive, given the cost of deposits for rental properties (usually 1-2 months' rent), and because it takes some time for the first instalment of your grant to be credited to your bank account. We advise you to bring sufficient money to cope with any extra costs.**
- **If you are planning to come with your own vehicle and to use it in Florence, please contact the Welcome Office ([Welcome@eui.eu](mailto:Welcome@eui.eu)) for more information regarding the current Italian legislation concerning this matter.**

## **Grant, Allowances, Taxation and Travel Expenses**

### **Grant**

The basic grant is €2,500 per month. If the duration of the fellowship is less than 12 months, no grant will be paid for the month of August.

The Institute normally pays the grants directly into the fellow's Florence bank account (see p. 14 on the EUI bank). Please note that some non-Italian banks may apply bank charges. If so, those will be at the expense of the fellow.

You will be required to provide your bank details, including IBAN (if applicable) and SWIFT/BIC codes for payment of your grant.

Should a fellow leave before the end of the fellowship (before 20th July), the grant will be accordingly reduced, and no grant will be paid for the month of August.

If a fellow benefits from other grants or salaries, this must be declared to the EUI and the EUI grant may be fixed at a lower rate, depending on the amount of the additional income. Supporting documentation (payslip) is required.

### **Medical Insurance**

Fellows must have adequate medical insurance coverage during their stay at the Institute.

Max Weber Fellows are covered under the EUI's medical plan (basic plan) provided by Cigna at the expense of the EUI, unless they wish to continue under their own active policies. In such a case, they must provide proof of coverage for the period of their fellowship. For more information on the insurance conditions, please consult the [dedicated webpage](#).

### **Allowances**

A household allowance of up to €310 per month is paid to fellows with a partner accompanying them to Florence, on the condition that the partner's income is less than €2,000 per month. The sum of income and allowance cannot exceed €2,000 per month (i.e. if the income is more than €1,700, the allowance will be paid only to top up to €2,000).

A dependent's allowance of €210 per month is paid for each dependent child if they live with the fellow in Florence.

Fellows are entitled to the allowances if they can declare that they are not receiving similar allowances from other sources, and upon presentation of relevant certificates (marriage or equivalent, birth certificate of child). A school or university certificate is required for dependent children in full-time education and over the age of 18. There is no allowance for dependent children over the age of 26.

The MWP operates a parental leave policy whereby Fellows who have a child during their Fellowship are eligible to up to four months paid parental leave, (up to four months for biological mothers and up to two months for the others). In case of the parental leave the Fellowship will be extended accordingly.

## **Taxation**

The fellowship is not taxed by the Institute. However, fellows are required to comply with any other tax provisions that may be applicable to them.

## **Travel Expenses**

Fellows (but not their families) receive reimbursement for the incoming trip from their place of origin (the place from where the fellow travels to take up the fellowship) at the beginning of the fellowship, and for the outgoing trip to their destination at the end of the fellowship. Maximum reimbursement is €1,200 including both incoming and outgoing trips.

Reimbursement of your travel expenses will be made upon the presentation of your travel documents/tickets (showing the price paid). You will be asked to submit your claim via an online platform accessible with your EUI account. Once you arrive, you will receive an automatic message with a link to the platform, where you can submit your claim.

Reimbursement is made for first-class rail travel or economy-class air travel.

Travel by car is reimbursed with the equivalent of a first-class rail ticket (previous authorization is required). Only one-way tickets can be reimbursed, and, in case of a return ticket, only half of the ticket can be reimbursed on arrival.

N.B. If the cost of luggage is not included in the price of the plane ticket, the cost of 1 piece of luggage can be reimbursed.

Taxi costs cannot be reimbursed.

Reimbursement for the trip from Florence back to the hometown or place of employment is made after the formal end of the fellowship, i.e., after 31/08/2025, upon presentation of travel receipts and completion of the relevant online request. If the reimbursement of the return trip and/or the last grant payment is to be made on another bank account, the fellow must fill in a new bank details form in due course so as not to delay the payment.

## **Visa expenses**

Fellows who need a visa for Italy in order to take up the fellowship are entitled to a reimbursement of costs related to obtaining a visa (consular fees and travel costs to the nearest consulate), up to a maximum of €250, on the basis of supporting documents.
